

Design Bombs Freebie

License

This free resource is provided by the Design Bombs team. It's royalty-free and for use in personal and commercial projects, with a few restrictions. This freebie is an intellectual property of the author.

Rights

You may modify this resource according to your requirements and implement it into projects such as websites, applications, templates, or other materials in your personal, non-profitable, or commercial projects so long as they are not intended to be sold on markets, stocks, etc.

If you're going to use our freebies in commercial projects that are for sale or multiple replications, you'll need an extended license. The extended license is provided by the author of the particular freebie – whether that be the Design Bombs team or a guest author (in this case, the credits are always included in the package). It is not necessary to link back to DesignBombs.com, but we would appreciate it if you did credit our resources.

Publications

You are welcome to publish our freebies on the condition that you link back to DesignBombs.com. You should not provide the assets for direct download from your website.

Prohibitions

You do not have rights to redistribute, resell, lease, license, sub-license, or offer this resource to any third-party <<as is>>. If you want to use this resource as a part of a product intended to be sold via any marketplace, please contact the author of the freebie to get an extended license.
